Dear Jenny and Team,

Thank you for your participation in the 2008 Red White and Blue Festival. This community-wide event depends on partners like you to make a successful event.

Your bean bag toss game for kids and your precious animals were a welcomed addition to the Festival and really enhanced our efforts to create a fun, family-oriented experience.

I realize that it is challenging and time consuming to plan and execute a Festival activity like this, coordinating people and resources, but you pulled it off beautifully!

look forward to your continued partnership with the Festival.

Sincerely,

Kim Crow Shearer  
Event Coordinator
