October 6, 2008

Mr. Charles Campbell
North Arkansas Central SPCA
184 Hammock Lane
Yellville, AR 72687

To Whom It May Concern,

It is my pleasure to provide a letter of support for the North Arkansas Central Society for the Prevention of Cruelty to Animals (SPCA) in their effort to build a new shelter and provide proper health care to abused, neglected, and abandoned animals.

I understand the North Arkansas Central SPCA participated in the Gassville tornado disaster as the only animal welfare agency actively assisting in the rescue and recovery of many animals. This organization plans to have a shelter complex which will support not only the troubled animals on a daily basis, but will be able to support the projected number of animals caught in a disaster. I applaud the efforts of the North Arkansas Central SPCA to protect and improve the lives of animals in need.

Please accept this letter as notification that I support the North Arkansas Central SPCA and appreciate their dedication to the needs of the community. It is with pleasure that I serve the people of the First Congressional District of Arkansas.

Sincerely,

MARION BERRY
Member of Congress
